

## **WYF Football Evaluation**

Thank you very much for taking the time to help us improve our program. We greatly appreciate and value your opinions. We want to know what we're doing right and what we can do to be even better next year. This survey should only take you a few minutes to complete and your answers will be kept *completely confidential*. Your name does not have to be on it, and therefore, we wouldn't be able to associate any of your answers with you directly. This is done so that you can feel free to answer as honestly as possible. Please do list your team name, however, so that we will be able to address specific issues within teams (if necessary).

The evaluation may be returned to a WYF Board Member, your coach or mailed to: WYF, P.O. Box 293, Gurnee, IL 60031

Again, thank you very much for both your responses on this survey and for the effort you've put into helping us this year. The board really appreciates your participation.
