## Equipment Return & Replacement 2009

All football equipment is owned by the WARREN YOUTH FOOTBALL Program. Each year WYF spends thousands of dollars replacing, re-certifying, and maintaining the quality of the equipment used by our players. We ask that you take special care of the equipment you have been provided with.

All equipment must be returned in November on the date designated for your team. If equipment is not returned at this time or before November 30<sup>th</sup>, your \$200 Deposit Check will be cashed.

It is very important that you return WYF equipment. As a non-profit organization, we try to provide you with everything you need to keep you safe on and off the field, while keeping your registration fees down. When equipment is not returned it poses a problem for WYF financially and in turn affects you.

Please be courteous and return your equipment in November on the date & time which you are assigned. Equipment is to be returned Cleaned and Washed with the pads removed from the pants.

THANK YOU!

I have read and understand the above WYF Equipment Return & Replacement Agreement. I understand that if I do not return equipment by November 30<sup>th</sup>, my \$200 deposit check will be cashed.
